John 6 v1-9

Some time after this, Jesus crossed to the far shore of the Sea of Galilee, and a great crowd of people followed him because they saw the signs he had performed by healing those who were ill. Then Jesus went up on a mountainside and sat down with his disciples. The Jewish Passover Festival was near.

John 6 v1-9

When Jesus looked up and saw a great crowd coming towards him, he said to Philip, 'Where shall we buy bread for these people to eat?' He asked this only to test him, for he already had in mind what he was going to do.

Philip answered him, 'It would take more than half a year's wages to buy enough bread for each one to have a bite!'

John 6 v1-9

Another of his disciples, Andrew, Simon Peter's brother, spoke up, 'Here is a boy with five small barley loaves and two small fish, but how far will they go among so many?'

Afterwards Jesus appeared again to his disciples, by the Sea of Galilee. It happened this way: Simon Peter, Thomas (also known as Didymus), Nathanael from Cana in Galilee, the sons of Zebedee, and two other disciples were together. 'I'm going out to fish,' Simon Peter told them, and they said, 'We'll go with you.' So they went out and got into the boat, but that night they caught nothing.

Early in the morning, Jesus stood on the shore, but the disciples did not realise that it was Jesus. He called out to them, 'Friends, haven't you any fish?'

'No,' they answered.

He said, 'Throw your net on the right side of the boat and you will find some.' When they did, they were unable to haul the net in because of the large number of fish.

The disciples were hanging out together.

Peter returned to his old familiar ways.

The old ways were no longer working.

Finding the answer

When we face problems, do we use human logic or reason to find the answer, or actively seek a divine solution ?
